

Name _____

End of Unit

Using the map, answer questions 1-5.

1. Is this a physical or political map? How do you know?

2. Give the map a title and label the compass rose.

3. Draw an alphanumeric grid on the map. In what quadrant is Mt.

Washington located? East Price Hill?

4. In what direction would I travel to get from East End to Clifton?

Name _____

5. List two ways Cincinnati has changed over time and explain why those changes occurred.

6. Below are two photos of Elm Street. One from the 1900s and the other from present day. Describe what you see. How has Elm Street changed since the 1900s?
